Lexmark MX810 MX811 MX812 Series
Monochrome Laser Multifunction Products

Built for Top Performance.
Meet the star of our high performance lineup. The Lexmark MX810 Series MFP saves time with blazing-fast processor, print, copy and scan speeds—plus it packs productivity solutions that boost your competitive edge. Need faster speeds? Choose the MX811 or the MX812.

Set the Pace for Increased Productivity.
Stay a step ahead and get more work done faster. These systems can meet your most demanding expectations, providing professional, finished documents. Choose the options you like to build the solution you need.

➤ Faster Processing - Improve your print, scan and copy speeds by taking advantage of up to 3 GB of upgradable memory, an 800 MHz dual-core processor and Gigabit Ethernet.

➤ Reliable High Performance - Easily print or copy up to 35,000 pages per month, plus enjoy fewer maintenance hassles, thanks to our state-of-the-art paper handling.

➤ Keep Jobs Moving - With a maximum input capacity of up to 2,750 sheets and an extra high yield toner cartridge, you won’t have to add paper or change cartridges as often.

➤ Get Work Done Quickly - Enjoy print and copy speeds from 55 to 63 pages per minute, produce your first page in as little as 4.4 seconds and rapidly scan a 2-sided document in a single pass. Want to print or copy up to 70 pages per minute? Get the MX812.

Look Professional. Work Smarter.
Using a multifunction printer is really simple. Our easy-to-read touch screen saves steps with the press of a button. Now you can deliver great-looking documents fast—and focus more on your business.

➤ Large Touch Screen - A vibrant, easy-to-use 10.2-inch color touch screen provides access to pre-installed workflow solutions.

➤ One-touch Controls - Preview your held jobs to print only the pages you need and make changes on the fly. Choose multi-image printing on one page, or select two-sided printing to save paper.

➤ Print on a Wide Range of Media - With built-in 2-sided printing and the ability to print on diverse materials, you can do more for your business and use less paper.

➤ Innovative Toner That Optimizes Performance - Get greater system performance with Lexmark’s Unison™ Toner, which delivers consistent image quality from first print to last.

Intelligent Workflow. Secure Design.
Our preloaded business solutions simplify your work processes and increase productivity. Ultra advanced security capabilities provide maximum protection for your critical business data.

➤ Print Anytime and Anywhere6 - With this system, you can print from desktops as well as mobile devices that can run applications.

➤ Apps Make It Easy - Pre-loaded solutions work much like mobile phone apps. Touch the screen and access shortcuts to scan, print, copy or send faxes, emails and other documents fast.

➤ Enjoy Enterprise-level Security - Now you can authenticate, authorize and audit employee usage. To protect sensitive data, you can also use standard network security protocols, data encryption and disk wiping capabilities.

➤ Identify Potential Risks - Track more than 100 variables and events, including user activity, with Audit Logging. It’s designed to work with your intrusion detection system in real time.

¹ Average standard page yield value declared in accordance with ISO/IEC 19752. ² "Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. ³ "Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including, but not limited to, supplies replacement intervals, paper loading intervals, speed, and typical customer usage. ⁴ Print and copy speeds measured in accordance with ISO/IEC 24734, excludes first set of test documents. For more information see: www.lexmark.com/ISOspeeds. ⁵ Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details. ⁶ For more information on Lexmark Mobile Solutions see: http://www1.lexmark.com/en_US/solutions/business-solutions/mobile-print/index.html
