Energy STAR® certification is dn models only

This is a Class A device according to international electromagnetic emissions standards (i.e. FCC Rules, EN 55022/EN 55032, etc.). Class A products are intended for use in non-residential/non-domestic environments. Use of a Class A product in residential/domestic environments may cause interference to radio communications and require corrective measures.
Lexmark MS820 Series

Satisfy large-workgroup requirements for performance, reliability and security with the Lexmark MS820 Series. They deliver a first page in as little as 4 seconds and print up to 70 pages per minute*. Robust paper handling, Ultra High Yield replacement toner** and flexible input and output options add up to uninterrupted productivity.

Ready when you are
- Long-life fuser and imaging components extend uptime.
- Unison™ Toner replacement cartridges deliver up to 55,000 pages** of high-quality printing (see specifications per model).
- Steel frame and durable design stands up to heavy use and harsh environments.

Get more done
- Powerful 1-GHz dual-core processor and up to 4.5 GB of memory drives printing at up to 70 ppm.*
- Robust paper handling includes reliable feeding of a wide range of media types and sizes, up to 4400 sheets of standard input and optional finishing.
- Connect via Ethernet, USB, or simple mobile printing options.

Interact with ease
- 2.4-inch/6-cm color LCD lets you configure, interact and monitor vital system information.
- Front access to the paper path and power button means you’ll virtually never have to access the back of the device, allowing placement in or on cabinets.
- Innovative serviceability features, starting with single-door access to parts and supplies, help you resolve problems quickly.

Full-spectrum security
- Lexmark’s full-spectrum security architecture helps keep your information safe—in the document, on the device and over the network.
- Keypoint Intelligence - Buyers Lab honored Lexmark with a prestigious BLI PaceSetter award for Document Imaging Security***.

Built for planet earth
- Energy management features reduce power consumption in active use or sleep mode.
- Models with standard two-sided printing save paper.
- All models with two-sided printing are rated EPEAT® Silver and ENERGY STAR® certified.
- Recycle cartridges through the award-winning Lexmark Cartridge Collection Program (LCCP).

---

*Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds.
**Average standard page yield value declared in accordance with ISO/IEC 19752. Ultra High Yield cartridge not available for all models.
***Award based on North America and/or Western Europe data
Lexmark MS820 Series

1. Printer with 2.4-inch (6 cm) display
   - 17.5 x 16.85 x 20.1 inches
   - 445 x 428 x 510 mm

2. 100-sheet multipurpose feeder
   - Dimensions included as part of base model

3. 550-sheet tray
   - Dimensions included as part of base model

4. 550-sheet tray
   - 4.3 x 16.85 x 20.1 inches
   - 110 x 428 x 510 mm

5. 2100-sheet tray
   - 13.8 x 16.85 x 20.1 inches
   - 350 x 428 x 510 mm

6. Caster base
   - 5 x 20.5 x 27.3 inches
   - 126 x 521 x 693 mm

7. Staple, hole punch finisher
   - 10.3 x 18.2 x 20.0 inches
   - 263 x 462 x 507 mm

8. Staple finisher
   - 9.7 x 17.1 x 16.3 inches
   - 246 x 435 x 414 mm

9. Output expander
   - 6.5 x 16.6 x 15.0 inches
   - 165 x 421 x 380 mm

10. 4-Bin mailbox
    - 10.7 x 16.6 x 15.1 inches
    - 272 x 428 x 384 mm

11. High capacity output expander
    - 12.2 x 16.6 x 13.2 inches
    - 310 x 421 x 335 mm

12. 250-sheet tray
    - 3.2 x 16.85 x 20.1 inches
    - 80 x 428 x 510 mm

13. 550-sheet lockable tray
    - 4.3 x 16.85 x 20.1 inches
    - 110 x 428 x 510 mm

14. 250-sheet lockable tray
    - 3.2 x 16.85 x 20.1 inches
    - 80 x 428 x 510 mm

15. Swivel cabinet
    - 10.4 x 18.7 x 23.6 inches
    - 263 x 476 x 600 mm

16. Adjustable printer stand
    - 23 x 23.5 x 23.5
    - 584.2 x 596.9 x 596.9

17. Spacer to add additional height
    - 4.3 x 16.85 x 20.1 inches
    - 110 x 428 x 510 mm

Note 1: Supports up to 4 optional trays. For maximum paper input capacity, install 3 optional 550-sheet trays and one optional 2100-sheet tray. When a 2100-sheet tray is installed, it must be the bottom tray, and a caster base is required.

Note 2: Supports many output configurations, including: any combination of up to three output expanders and 4-bin mailboxes; OR staple finisher with 4-bin mailbox; OR staple finisher with output expander; OR output expander with high capacity output expander; OR the staple, hole punch finisher; OR any single output option by itself. When installing the optional stapler, it must always be on top. When installing the optional high capacity output expander, it must always be on the bottom.

Note 3: All measurements are shown as height x width x depth. For more information about supported configurations, refer to the Printer, Option and Stand Compatibility Guide at http://www.lexmark.com/publications/furniture_safety/

All information in this brochure is subject to change without notice. Lexmark is not liable for any errors or omissions. Some models may be available without duplex.

This is a Class A device according to international electromagnetic emissions standards (i.e. FCC Rules, EN 55022/EN 55032, etc.). Class A products are intended for use in non-residential/non-domestic environments. Use of a Class A product in residential/domestic environments may cause interference to radio communications and require corrective measures.

¹Average standard page yield value declared in accordance with ISO/IEC 19752. ²Recommended Monthly Page Volume is a range of pages that helps customers evaluate Lexmark’s product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. ³Maximum Monthly Duty Cycle is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. ⁴Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details. ⁵Actual Yield may vary based on other factors such as device speed, paper size and feed orientation, toner coverage, tray source, percentage of black-only printing and average print job complexity. ⁶Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. ⁷Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details.
