

Lexmark MX710 and MX711 Series Monochrome Laser Multifunction Printer

More Versatility. More Solutions. More Capacity.

There's no such thing as too much of a good thing. The Lexmark MX710 Series MFP delivers faster print, copy and scan speeds, plus productivity solutions too. For even more advanced solutions, go with the MX710dhe, or the MX711dhe with hard disk drive.

Up to 66 ppm

Multiple Media Support

Security

Duplex ADF - single pass

Unison™

MX711de/dhe

Get More Done. Even Faster.

Now you can achieve much more in less time. Smoother workflows and faster speeds are just some of the great features that will help your business be more productive.

Faster Processing - Improve your print, scan and copy speeds by taking advantage of up to 3 GB of upgradable memory, an 800 MHz dual-core processor and Gigabit Ethernet.

Reliable Performance - Easily print up to 25,000 pages per month, plus enjoy fewer maintenance hassles, thanks to our state-of-the-art paper handling.

Keep Jobs Moving - With a maximum input capacity of up to 3,300 sheets and a high yield toner cartridge, you won't have to add paper or change cartridges as often.

Get Work Done Quickly - Enjoy print and copy speeds up to 60 pages per minute, produce your first page in as little as 4 seconds and scan a two-sided document in a single pass. Want to print or copy up to 66 pages per minute? Get the MX711.

Look Professional. Work Smart.

Using a multifunction printer is easier than you think. Our system's easy-to-read touch screen saves steps with the press of a button, so you can focus more on business.

Smart and Easy to Use - A vibrant 17.8 cm (7 inch) colour touch screen on the MX710 provides access to pre-installed workflow solutions. Want a larger 25.9 cm (10.2 inch) touch screen? Get the MX711.

Front USB Port - Print without a PC using our convenient USB port that lets you walk up, preview and print PDFs and many other file formats.

Print on a Wide Range of Media - With built-in two-sided printing and the ability to print on diverse materials, you can do more for your business and use less paper.

Innovative Toner That Optimises Performance - Get greater system performance with Lexmark's Unison™ Toner, which delivers consistent image quality from first print to last.

Intelligent Workflow. Secure Design.

Our pre-loaded business solutions simplify your work processes and increase productivity. Ultra-advanced security capabilities provide maximum protection for your critical business data.

Print Anytime and Anywhere⁶ - With this system, you can print from desktops as well as mobile devices that can run applications.

Apps Make It Easy - Pre-loaded solutions work much like mobile phone apps. Touch the screen and access shortcuts to scan, print, copy or send faxes, emails and other documents fast.

Enjoy Enterprise-level Security - Now you can authenticate, authorise and audit employee usage. You can also protect sensitive data using standard network security protocols, data encryption and disk wiping capabilities.

Identify Potential Risks - Track more than 100 variables and events, including user activity, with Audit Logging. It's designed to work with your intrusion detection system in real time.

¹ Average standard page yield value declared in accordance with ISO/IEC 19752. ² "Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. ³ "Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multi-shift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. ⁴ Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspecs. ⁵ Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details. ⁶ For more information on Lexmark Mobile Solutions see: lexmark.com/mobile
