Lexmark MX317dn

Value and versatility. Combines 4 devices into 1.
Move up to a multifunction product that combines printing, copying, scanning and faxing into a single compact and affordable device. The MX317dn produces professional-quality prints and documents at up to 35 pages per minute and is recommended for use up to 6,000 pages per month. Includes a 2.4-inch color LCD screen, built-in networking, security and mobile print capability.*

Combines 4 devices into 1
Looking to consolidate devices to save space, time and money? The compact and reliable MX317dn provides multifunction performance at a low price. It’s built for durability and speed, thanks to a fast dual-core processor, 256MB of memory and built-in networking. This MFP can deliver up to 35 pages per minute, with the first page in as little as 6.5 seconds.

Security, with Confidential Print. Mobile print capability.
Proven and tested network security features and protocols protect your device, information and network from unauthorized access. Keep your sensitive documents safe by enabling the Confidential Print feature, which requires entering a customized, unique PIN on the device’s keypad before the document can be printed.
Print from mobile devices using an optional Wi-Fi adapter or Lexmark’s free Mobile Print app.

Comprehensive warranty
The affordable MX317dn color MFP is so well made, we back it with a solid 1-year warranty that offers you multiple ways to obtain help: phone, email, live chat and remote assistance. Plus, if your device ever fails, we’ll ship you a replacement device through our Advanced Exchange program so you’re up and printing again as quickly as possible. See Statement of Limited Warranty for details.

*Requires free Lexmark Mobile Print app with Android or iOS mobile device
Print up to 2,500 pages without replacing toner

Lexmark’s exclusive Unison™ Toner keeps your cost of printing low, with standard cartridges that produce up to 2,500 pages. Plus they never require shaking, which minimizes interruptions and keeps your work moving. The Lexmark print system and Unison Toner enable consistent print quality throughout the life of the cartridge to prevent wasted prints.

User-friendly

The MX317dn is simple to install, easy to use and offers built-in connectivity and full compatibility with nearly every operating system and network, so you’ll be up and running in minutes. It’s built to last, so you’ll easily be able to print up to 6,000 pages per month, thanks to our state-of-the-art paper handling technology.

Monitor operating status and supply levels on the MFP’s easy-to-use, 2.4-inch color LCD or from a remote location via its web interface. Add an extra paper tray to boost capacity to 850 sheets for fewer interruptions.

An automatic document feeder simplifies printing, copying, scanning and faxing multipage documents.

Eco-friendly

Built-in two-sided printing reduces paper use. The instant warm-up fuser saves energy and delivers the first page as fast as 6.5 seconds. Select an energy-saving mode (Quiet, Hibernate or Eco) to automatically minimize noise and energy consumption.
